Director Armstrong, Police Officers, and Citizens,

1. The Memphis Police Association (MPA) has received numerous calls from officers, citizens, and businesses that want to donate to the family of Officer Timothy Warren. Officer Warren gave the ultimate sacrifice to protect others on 07-03-11 in the City of Memphis. The Timothy Warren Memorial Fund has been established at Regions Bank. Anyone who wishes to contribute can stop by any Regions Bank in Memphis and donate into that account. It has been established to ensure those who want to give peace of mind that the funds will reach the family. Officer Warren is survived by his wife and two children. This effort is in conjunction with the Memphis Police Department.
