THE MEMPHIS POLICE ASSOCIATION HONORS FALLEN OFFICER

Donations made at Regions Bank locations will benefit Officer Timothy Warren's family

MEMPHIS, Tenn., (July 6, 2011) – In response to the Mid-South community's requests to support the family of Officer Timothy Warren, the Memphis Police Association, in conjunction with the Memphis Police Department, has set up The Timothy Warren Memorial Fund.

Donations may be made at any Regions Bank location in Memphis. This fund has been established to ensure that funds will safely reach the Warren family. For bank locations, visit <http://www.regions.com/locator.rf>.

"Officer Warren gave the ultimate sacrifice to protect his community," said Michael Williams, Vice President of the MPA. "We are grateful to our friends and neighbors for their generous and ongoing support of our Memphis police officers – especially during their times of need such as this."

Officer Warren leaves behind his wife, Betsy, and two young children, James and Jewel. He served as an officer with the Memphis Police Department since 2003.
